#### Other Training

We offer **X Transition /Quick Start Training** for our Mastercam customers at \$425 per person (a total of 12 hours - 3 days). Great for users that need help transitioning to the X versions or a new user getting up to speed quickly .....or even a refresher course. Keeping up with new enhancements to the software can mean bigger and better profits for your company

**User Group** meetings will be held on the first Friday of March, June, September, and December beginning at 5:00 pm. Refreshments served. We are always open to suggestions on topics to cover. Email Trevor or Julie with suggestions.

\*\*\*\* A minimum of 4 students required to hold class.\*\*\*\* \*\*\*All training is done prepaid\*\*\*

\*\*Registration Forms are required for all training - NO exceptions\*\*
